## 3. DEFINITIONS

*Board* refers to the Toronto District School Board, which is also referred to as “TDSB”.

*School Buses* refers to any vehicle that is contracted to operate for the Board for the purpose of transporting students and may include large or small passenger buses, charters, vans, or other passenger vehicles.

*TDSB* refers to the Toronto District School Board, which is also referred to as the “Board”.

## 4. RESPONSIBILITY

## **5. APPLICATION AND SCOPE**

This Procedure applies to all school staff, drivers, volunteers, parents/guardians, and students while on school buses.

## **6. PROCEDURES**

6.1. Responsibility for the safety of students rests not only with school bus drivers, but also with parents/guardians, principals and students. The key to safe busing is co-operation between all parties.

6.2. Misbehaviour by a student may jeopardize the safety of all those who ride the bus. As such, a violation or breach of Board policies that warrants discipline may result in the withdrawal of bus privileges.

### **6.3. Principal's Responsibility**

- (a) Ensure that a bus safety program is conducted in their school and that students receive adequate instruction in bus safety;
- (b) Schools may ask for assistance by contacting the Transportation Safety Officer to arrange a school visit by the School Bus Safety Team;
- (c) Monitor busing practices and procedures throughout the school year;
- (d) Ensure that teachers are aware of safe bus practices and excursion guidelines;
- (e) Comply with Board policies and guidelines regarding transportation;
- (f) Ensure that standards of behaviour promote safety and courtesy on the buses and around school loading zones;
- (g) Investigate all reports of discipline concerns and take the appropriate actions necessary;
- (h) Remove offending students from the bus if the driver returns to school due to student behavioural issues;
- (i) Inform parent(s)/guardian(s) of any discipline concerns and the disciplinary action that has been taken. Principals will provide parent(s)/guardian(s) with any written documentation of incidents on the bus (also known as "Pink Slips/Conduct Reports" – hereinafter referred to as Conduct Reports) after removing any confidential information pertaining to other students listed in the documentation;
- (j) Co-operate with the bus driver in maintaining safe practices and procedures.

#### 6.4. Student's Responsibility

- (a) Understand that busing is a privilege which may be withdrawn by the principal if student behaviour is considered unacceptable and continues despite warnings;
- (b) Be punctual in arriving at the bus pick-up point;
- (c) Behave in a courteous and responsible manner while waiting for, riding on and leaving a school bus;
- (d) Co-operate and abide by the bus riding rules;
- (e) Board and depart the buses in an orderly manner;
- (f) Remain seated while the bus is in motion and wear a seatbelt, when applicable;
- (g) Co-operate with those people responsible for his or her school transportation;
- (h) Walk a safe distance from the bus immediately upon leaving the vehicle.

#### 6.5. Parent(s)/Guardian(s) Responsibility

- (a) Ensure that their children understand that busing is a privilege which may be withdrawn by the principal if student behaviour is unacceptable;
- (b) Be aware of the rules for student behavior and inform their children of these rules;
- (c) Co-operate with the principal and bus driver to ensure safe transportation for their children;
- (d) Ensure that their children behave in a safe and responsible manner at bus stops prior to pick-up and upon return from school;
- (e) Assist the teacher and the driver when on an excursion to make the trip as safe as possible;
- (f) Ensure that their children are at the bus stop 5 minutes prior to the arrival of the bus;
- (g) Help students board quickly and safely to minimize bus delays;
- (h) Ensure students in grades JK-3 place their purple tag on their bag indicating that they must be met by an adult and make arrangements for an adult to meet the child;

- (i) Young students (JK-3) should be met at the door of the bus to minimize delays and to ensure there is someone to receive the student.

#### 6.6. Driver's Responsibility

- (a) Operate the school bus safely as required by law;
- (b) Caution any unsupervised student who is misbehaving;
- (c) Report repeated problems to the principal or responsible school staff;
- (d) Issue Conduct Reports in a timely manner (within 24 – 48 hours or sooner as circumstances warrant);
- (e) Communicate any behavioural concerns to the excursion teacher;
- (f) Only pick-up and drop off authorized passengers and only at designated points;
- (g) Follow all bus operator and Board policies and procedures.

#### 6.7. Conduct Resulting in Discipline

- (a) All TDSB policies are in effect while students are on the bus. For example, fighting on the bus is not tolerated and will result in a school suspension;
- (b) When students receive a Conduct Report from the bus driver, the principal or delegate will notify the parent(s)/guardian(s) of the report and provide a copy to the parent(s)/guardian(s). If the student receives the following number of Conduct Reports in a term, the privilege of riding the bus will be removed, as indicated:
  - 2 Conduct Reports - 1 day off
  - 4 Conduct Reports - 3 days off
  - 6 Conduct Reports - 5 days off
- (c) Principals have the discretion to suspend bus transportation immediately and indefinitely if the severity of a student's behaviour warrants such action.
- (d) Buses will not be sent for students who have to leave school early for illness or behavioural reasons. It will be the responsibility of the parent/guardian to make arrangements to pick their child up from school if they are ill or need to go home because of behaviour.
