## 2.0 OBJECTIVE

To provide a process and instructions for developing and reviewing TDSB policies.

## 3.0 DEFINITIONS

*Board* is the Toronto District School Board, which is also referred to as “TDSB”.

*Canadian Standard English* is a variety of English in which most educational texts, government, and media communications are produced in Canada.

*Consultation* is a two-way communication process between the Board and external participants, including students and their parents/guardians, school councils, advisory committees, community members, different levels of government, service agencies, professional organizations and union partners. The objective of consultation is to gather public input regarding options, alternative courses of action and/or directions to help inform decision-making.

*Policy* is a statement of intent, governing principles or end result adopted by the Board in public and intended to guide future actions.

*TDSB* is the Toronto District School Board, which is also referred to as the “Board.”

## **4.0 RESPONSIBILITY**

While the Board of Trustees is responsible for establishing Board policies, the Director of Education holds the primary responsibility for overseeing the process by which new and revised policies are developed and ultimately presented to the Board.

Within the Director's Office, the responsibility for the day-to-day management and co-ordination of this procedure is assigned to the Executive Officer, Governance and Board Services, and, subsequently, to the Policy Coordinator.

## **5.0 APPLICATION AND SCOPE**

This Procedure applies to all employees involved in the development, review, and revision of the Board's policies.

## **6.0 PROCEDURES**

### **General Requirements**

- 6.1. Policies will be adopted, revised or revoked by the Board of Trustees' resolution only. Housekeeping changes to the policies may be authorized by the Director's Council (e.g., updating obsolete references to legislation, job titles, department names, etc.).
- 6.2. The need to develop a new or revised policy may arise as a result of a: (1) resolution of the Board of Trustees; (2) legislative requirement; (3) government policy or directive; or (4) recommendation of the Director's Council.
- 6.3. Information about policy needs arising from new legislative or government policy requirements, and information about substantive revisions to operational procedures, will be communicated to the Board of Trustees through the Governance and Policy Committee on a timely basis.
- 6.4. A member of the Director's Council will be assigned by the Director of Education to lead the development of a new or revised policy, working in consultation with the Governance and Policy Committee.
- 6.5. Trustees, including student trustees, will be notified by the Director's Council member when a policy development or review is commenced by staff, and will be provided with an opportunity for timely input into the development/review of the policy.
- 6.6. The assigned Director's Council member will obtain policy directions and input regarding the new or revised policy from the Governance and Policy Committee prior to initiating formal development or review of the policy.

6.7. Within each department, the appropriate member of the Director's Council will assign staff to work with the Board's Policy Coordinator to:

- (a) co-ordinate the development and review of policies pertaining to the department, including preparation of policy development/review work plans, presentation to Director's Council and the Governance and Policy Committee;
- (b) ensure that new and revised policies are compliant with the Policy Framework (P001), Equity Policy (P037), other applicable Board policies and this Procedure;
- (c) identify equity impact and budgetary implications of any new or revised policy;
- (d) ensure that a new policy and substantive revisions to an existing policy are reviewed and signed off by a cross-departmental working group (using the *Policy Review Sign-off Sheet* – see Appendix B), prior to submission of the drafts to the Director of Education.

The cross-departmental staff working group will include on a permanent basis:

- Legal Services
  - Governance and Board Services
  - Government, Public and Community Relations, and
  - Departments directly affected by the subject policy
- (e) ensure that the draft policy is reviewed and approved by the Director of Education prior to conducting public consultations or presenting the policy to a Committee of the Board or to the Board of Trustees;
  - (f) ensure that any substantive changes to Board policy are reflected in all the appropriate department documents (e.g., operational procedures, guidelines, bulletins, pamphlets).

6.8. Policy will include a timeframe for regular review and evaluation.

### **Policy Development**

6.9. Development of a new policy must be authorized by the Board of Trustees upon recommendation of an appropriate Committee of the Board.

6.10. Once the recommendation to develop a new policy is approved, the Governance and Policy Committee (or other Committee, as instructed by

the Board of Trustees) will oversee development of the policy, working with the assigned Director's Council member.

- 6.11. New policies will be developed in accordance with the *Policy Development Process Flowchart* outlined in Appendix C.
- 6.12. Policy development work plans will be prepared for every policy under development (see Appendix D – *Policy Development Work Plan Template*).

### **Policy Review**

- 6.13. Board policies will be reviewed at a minimum every four years to ensure their effectiveness, relevance, and alignment with legislative requirements, government directives, decisions of the Board of Trustees and operational parameters.
- 6.14. Policies will be reviewed in accordance with the *Policy Review Process Flowchart* (see Appendix E).
- 6.15. Policy reviews will be implemented pursuant to the policy review schedule approved by the Board of Trustees. Revisions to the policy review schedule may be recommended by the Director's Council and the Governance and Policy Committee.
- 6.16. Policy review work plans will be prepared for every policy under review (see Appendix F - *Policy Review Work Plan Template*).
- 6.17. Policies that are mandated by legislation to be reviewed on an annual basis may undergo a simplified review process annually and a complete process every four years (e.g., Occupational Health and Safety Policy, Workplace Violence Prevention Policy, etc.). Under the simplified process, the policy may be exempted from consultation requirement if no substantive changes to the policy are being proposed.

### **Policy Consultations**

- 6.18. Policy development and review process will include consultations with external participants, e.g., students and their parents/guardians, school councils, advisory committees, community members, different levels of government, service agencies, professional organizations and union partners, as prescribed by the *Community Engagement Policy (P078)*.
- 6.19. Prior to initiating public consultations, a draft policy must be reviewed internally by the cross-departmental working group, as described above, and, subsequently, signed off by the Director of Education.

6.20. External consultations will be based on the following:

- (a) A process for consultation will be developed at the beginning of the policy development/review;
- (b) The purposes of consultation are:
  - to provide a broader base for input
  - to clarify and promote a better understanding of the issues
  - to identify alternative courses of action
  - to identify service gaps and or patterns of systemic bias or barriers
  - to get expert advice where necessary
  - to build trust and mutual respect
  - to build positive relationships
  - to build consensus
  - to develop ownership and improve compliance
  - to engage those voices traditionally marginalized or silenced
  - to identify unintended effects for members of disenfranchised groups and communities and to understand impact on equity of opportunity, access and outcomes
  - to balance contrasting perspectives
- (c) Consultation methods may include:
  - public meetings
  - facilitated focus groups
  - call for public delegations to the Governance and Policy Committee
  - expert panel discussion
  - survey
  - posting a draft policy on the TDSB's website using a comment tool to solicit feedback
- (d) A draft policy, executive summary, and equity impact statement, as appropriate, will be developed for distribution to consultation participants;
- (e) Participants in a consultation process will be given clear mandates;
- (f) Consultation will involve persons interested in the policy as well those who are affected by the proposed policy;
- (g) Consultation will be characterized by diversity, fairness, access, openness, trust, integrity, and respect for the points of view of all participants;

- (h) Participants will be informed of the results of the consultation;
  - (i) Consultation will ensure maximum accessibility for participants.
- 6.21. The scope and duration of the consultation will be determined by the Governance and Policy Committee upon recommendation from staff and will be based on the following factors:
- application and scope of the policy
  - significance of the policy impact on external stakeholders
  - number of external stakeholders affected by the policy
- 6.22. At a minimum, consultations will always include: (1) extending invitations for consultation to the Student Senate and all Community Advisory Committees of the Board and conducting consultations with the Community Advisory Committees that expressed interest (either individually with each interested committee or collectively with representatives of all interested committees), and (2) posting of the draft policy on the Board's public website and using a survey and comment/portal tool to solicit feedback within a minimum 45 calendar days. Information about policies under development or review will be available and highly visible on the Board's public website.
- 6.23. At a minimum, at least two consultation methods as listed in section 6.20. (c) will be applied for each policy development or review.
- 6.24. Consultation requirements will be applied consistently to policies with similar characteristics in terms of affected stakeholders and policy impact.
- 6.25. Consultations are not expected to be overly onerous to implement and, in most cases, should not be expected to last more than three (3) months. If numerous external participant groups are identified for consultations, consultation methods that allow engaging multiple stakeholders simultaneously, such as public meetings, may be considered.
- 6.26. Consultations are not required for policies mandated by the Ministry of Education (i.e., policies that are developed or revised following formal directions from the Minister of Education or his/her designate), unless the TDSB policy significantly exceeds or deviates from the requirements set out by the Ministry of Education. Notification about the Ministry of Education mandated policies will be provided to all Advisory Committees of the Board and to the public through the Board's website.
- 6.27. Consultations are not required for policies, which are identified by the respective Director's Council member(s) responsible for the policies and confirmed by the Governance and Policy Committee, as internal corporate policies that have no direct external participants.

6.28. A consultation will be deemed completed for the purpose of this Procedure when all required arrangements, including extending invitations for consultation and providing advance notices, were properly implemented, even if only limited feedback to the draft policy was received.

### **Policy Format and Style**

6.29. Policy will be written in a plain and clear language that is easily understood by the general public and ensures:

- gender neutral language ( i.e., they and them instead of he/ she, parents/guardians instead of mother/ father, etc.)
- consistent use of P037 Equity Policy glossary terms
- compliance with the *Accessibility for Ontarians with Disabilities Act* AODA

6.30. Policy will be written in Canadian Standard English, based on the following resources (as amended from time to time) for spelling, grammar, style, and punctuation:

- *Editing Canadian English*, 2<sup>nd</sup> Edition, Revised and Updated, Editor's Association of Canada
- *Keep It Simple: How To Write So Your Readers Will Understand*, Communications and Public Affairs, Toronto District School Board (2000)
- *More Than a Style Guide*, TDSB Resource Document
- *The Canadian Oxford Dictionary*, by Katherine Barber
- *The Chicago Manual of Style, 16th Edition* University of Chicago Press, John Grossman, August 2010

6.31. Abbreviations and acronyms will be explained in the Definitions section and not spelled out again in the body of the policy.

6.32. New and revised policies will be drafted in accordance with the *Policy Template* (Appendix A).

6.33. After approval of a policy by the Board of Trustees, Governance and Board Services staff will assign the appropriate policy number, add the adoption date and any other required information as per the Policy Template.

### **Policy Communication and Notifications**

6.34. Governance and Board Services will record new and revised policies in the minutes of the Board and publish policies for staff and the public on the Board's website in accordance with the *Policy Framework (P001)*. A summary of policy revisions and expected outcomes will be included with the policy communication.

6.35. Board staff will be notified of the availability of new and revised policies through the existing communications methods.
